Corporate Padel League

We are doing it again! Due to the success of the inaugural Corporate League, we are delighted to announce that Lindsays will sponsor the Autumn league!

Martin Currie took the Spring title, can your team take the Autumn title?

What is Padel?

The game of Padel has been likened to 'tennis with walls and squash with a net'. It is a sport that combines the best elements of tennis, squash and racketball. It's a doubles game, very accessible and truly great fun.

The Corporate Padel League

We are looking to have two leagues of six teams playing each other on Wednesday evenings. We envisage each team having a pool of six or so players. Not all players need to be from the same company. Each team will play every other team in their league in timed matches over the course of the season.

Teams that participated in Spring: Lindsays, Investec, Anderson Strathern, Quilter, Martin Currie, NHS, Brodies, Johnston Carmichael, Turcan Connell, LTS, Kiltarn Partners and Adam & Co

Not only is this a great way of getting into the fastest growing sport, Padel, but it is also a great way to meet other professional people from Edinburgh.

If you think there may be a pool of potential new Padel players at your company please get in touch with the club on 0131 332 0088.

When will the Corporate Padel League take place?

Dates: August 16-1 November

Match times: 18.00-20.40 on a Wednesday evening

- Matches will consist of four players (men, ladies or mixed) per team.
- Rackets and balls will be provided for each match.
- A hot meal will be provided in the ESC bar and restaurant afterwards.

To round off the league there will be a social evening and awards presentation.

What's the cost?

Cost of the league will be £140 per team (i.e. £35 per player). For that the team gets five matches which is over 12 hours of court time which is worth over £300 and 20 free meals so we think it is a great deal.

Give Padel a try

To help you get started and stimulate interest in the league why not organise your own Corporate Padel evening before the league starts. We have set aside several evenings between now and the start of the league to facilitate that. We can provide the equipment, an instructor to introduce your group to the rules and basic strategy and we can feed you afterwards. Cost will depend on how many people you want to bring and how long you want the courts for so please get in touch to organise your night now.
